OUR VISION STATEMENT "Serving The Triune God By Providing For The Needs Of His People"

April 10, 2002

Mr. James Hengelsberg
Uhl Construction Company
P.O. Box 8
Allison Park, PA 15101

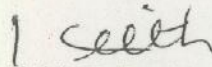

Dear Jim,

Thank you for your generosity in providing an employee to help with the necessary repairs of the Haven III apartment that burned on Wednesday, March 20, 2002. Paul's help was greatly appreciated, with his assistance we were able to get the apartment gutted quickly so that the clean up and painting process could begin right away.

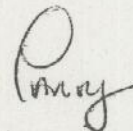

It is comforting to know that we have a relationship with Uhl Construction Company that ensures that we can count on you to offer assistance without having to ask.

Jim, thanks again, it has been a pleasure partnering with Uhl over the years and our hope is that we have more successful endeavors together in the future.

Sincerely,

Keith E. Frndak
