

# Mid-Atlantic Fasteners

DIVISION OF DUO-FAST MID-ATLANTIC COMPANY

AUTHORIZED SALES  
AND SERVICE

**DUO-FAST • SENCO • HITACHI**

UHL Construction  
4912 Vernon Drive  
Allison Park, PA 15101

To Whom It May Concern:

UHL Construction built our warehouse and offices in July of 1995. We at Mid-Atlantic Fasteners found this company to be fast, friendly and efficient in their work ethics. I would not hesitate to recommend them to anyone for construction of a new building or the remodeling of their existing facilities.

UHL Construction always showed prompt service and kept the lines of communication open at all times. Any questions we had were answered very efficiently and any changes we had were made without any delays or problems.

If you need to talk you anyone about this company, please feel free to contact us or stop out and look at the building.

Sincerely,

David E. Burda  
Sales Manager
