To Whom It May Concern:

It is a pleasure to write this letter of recommendation for UHL Construction Company.

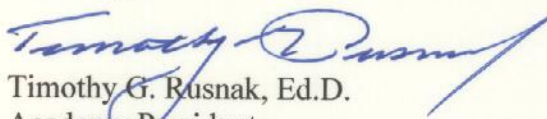

For the past several years UHL has done construction and renovation work for us a Vincencian Academy-Duquesne University on several projects. We have found their work to be of excellent quality as they have been prompt and professional in all aspects of their business.

We have been particularly impressed with how the management team and tradesman are willing to talk with us as customers, and adapt details of the project to meet our sometimes impulsive needs.

In summary, I highly recommend UHL Construction Company for your next construction project.

If you have any questions about this recommendation, please feel free to call me.

Sincerely,

Timothy G. Rusnak, Ed.D.
Academy President
